

Exam : HP0-D20

**Title : Architecting the HP Matrix
Operating Environment**

Version : DEMO

www.Lead4Pass.com

1.What are the defined levels of storage support for CloudSystem Matrix? (Select two)

- A.Matrix Supported
- B.Insight Software Support Matrix
- C.IS/IM Support Matrix
- D.Vendor Supported
- E.Matrix Certified

Answer: A, B

2.What does a building a converged infrastructure enable an enterprise to do?

- A.Shift resources from operations to innovation
- B.Manage data growth and complexity with minimal cost
- C.Focus IT on operations
- D.Customize server settings and add-ons

Answer: B

3.What is the primary HP application for managing Virtual Connect environments across the data center?

- A.Systems Insight manager
- B.Virtual Connect Enterprise Manager
- C.Insight Control
- D.Virtual Connect Agents

Answer: B

4.Name two ways to achieve a converged infrastructure.(Select two)

- A.Outsource IT resources to focus on operations
- B.Standardize, virtualize, and automate
- C.Buy as CloudSystem or VirtualSystem
- D.Access virtual resources through a self-service portal
- E.Migrate, consolidate, and configure
- F.Buy configure-to-order (CTO) components

Answer: B, E

5.What does Insight Remote Support Advanced provide that Insight Remote Support Standard does not? (Select two)

- A.Detailed problem resolution information
- B.24x7 remote monitoring
- C.Warranty/contract information
- D.No licensing fees
- E.Fault analysis

Answer: A, C

6.Which technology enables you to know how much time it takes for data to travel back and forth across an Ethernet network?

- A.Energy Efficient Ethernet
- B.Simple Network Time Protocol

- C. Network Time Protocol
- D. Precision Time Control

Answer: B

7. Which technology reduces power consumption by automatically adjusting energy use on actual traffic among network devices in real-time?

- A. 3D Sea Sensors
- B. Thermal Logic
- C. Energy Efficient Ethernet
- D. Dynamic Power Capping

Answer: C

8. How does HP define a balanced virtual machine system architecture?

- A. Industry recommended best practice combination of 3.5 GB of memory and 400MG of I/O per virtual machine
- B. A redundant combination of extended memory, I/O, storage, and virtual machines in each enclosure
- C. The combination of computer power, I/O and storage that yields the best return on investment

Answer: C

9. What is BladeSystem environment with virtual Connect Ethernet and Fibre Channel modules?

- A. Virtual Connect Fibre Channel
- B. Virtual Connect domain
- C. Virtual Connect network
- D. VCEM Repository

Answer: A

10. Which business obstacle do customers typically face in a traditional network connection environment?

- A. Third-party Ethernet and Fibre Channel switches are not compatible with a converged infrastructure
- B. The blade switches must be small, resulting in a large number of switches
- C. The system administrator must add all new network connections, resulting in an increased management burden
- D. Application workloads must be spread across several servers for redundancy

Answer: C

Trying our product !

- ★ **100%** Guaranteed Success
- ★ **100%** Money Back Guarantee
- ★ **365 Days** Free Update
- ★ **Instant Download** After Purchase
- ★ **24x7** Customer Support
- ★ Average **99.9%** Success Rate
- ★ More than **69,000** Satisfied Customers Worldwide
- ★ Multi-Platform capabilities - **Windows, Mac, Android, iPhone, iPod, iPad, Kindle**

Need Help

Please provide as much detail as possible so we can best assist you.

To update a previously submitted ticket:

A green button with white text that says "Submit A Ticket". The button is styled to look like a piece of paper that has been torn at the edges, with a white shadow underneath.

One Year Free Update

Free update is available within One Year after your purchase. After One Year, you will get 50% discounts for updating. And we are proud to boast a 24/7 efficient Customer Support system via Email.

Money Back Guarantee

To ensure that you are spending on quality products, we provide 100% money back guarantee for 30 days from the date of purchase.

Security & Privacy

We respect customer privacy. We use McAfee's security service to provide you with utmost security for your personal information & peace of mind.
